Special thanks to the Men's Shed who made these for us.

Reading nooks and benches

Grants

£500 Learning Through Landscapes

Successful at TESCO! £1500.00

BUPA- £1900.00

The Nineveh Charitable Trust- grant for
polytunnel

LEAF Days and Eco Fayre

On LEAF Day, every child has the opportunity to make an contribute towards a stall at the Eco Fayre. We have now started involving external agencies and the University of Winchester to help run workshops on these days.

At the Eco Fayre, the children get a chance to look round and purchase items as well as run the stalls. They love it!

Year 1:

We raised £475.00 as a school.

Year 2:

We raised £1000.00 as a school.

Let's see what Year 3 brings...!

The donations will be going to the pond!

- A decking area for children to pond dip from
- Equipment
- Storage

Published articles!

Subject Curriculum and Subject Assessment documents

Outdoor Learning Subject Curriculum (maybe moving towards a horticulture curriculum...)

Outdoor Learning Assessments (contain pupil voice)

Climate action plan

Biodiversity

- Pollinator Project

Decarbonisation

- Greener Travel & Waste reduction

Adaptation & Resilience

- Greener grounds for water management

Climate Education and Green Careers

- Climate Curriculum

Eco-warriors

1 from each class. They wear badges (made from 100% recycled material) and will be a key driver in this new climate action plan.

We visited Minsted Study Centre to gather some ideas about food waste etc...

*Any questions or
interest....?*
